

ALEXANDER VALLEY VINEYARDS

Wetzel Family Estate 60th Anniversary Dinner

In the 1840s, Cyrus Alexander rode into our valley, settled, and began farming the special place we call home.

Since 1962 the Wetzel Family has continued that tradition.

Join us as we celebrate 60 years of family farming on the property that valley namesake Cyrus Alexander called "the brightest and best spot in the world."

Dinner will be served on the Wetzel Family Estate lawn overlooking the garden. Enjoy our world class wines and learn more about what makes this property so special with stories from the Wetzel family.

Prior to dinner, enjoy a selection of library wines, including AVV 's first vintage of Sin Zin, on the Wetzel Family Estate patio.
