

ALEXANDER VALLEY VINEYARDS

2016 Homestead Red Blend

Homestead Red Blend celebrates winemaking in Northern Sonoma County's Alexander Valley. The 2016 is a blend of six of our favorite grapes. Each varietal adds complexity to this well balanced wine. Winemaker Kevin Hall selected Merlot with rich concentration to anchor the blend, then added Zinfandel for spicy notes, Grenache for berry flavors, Mourvedre for additional texture, Cabernet Sauvignon for elegant structure, and then rounded out the blend with Syrah for bright berry flavors and floral aromatics.

Overall, 2016 was a more normal growing season than the last few years. While the drought was still persistent, we received much needed rain over the winter and early spring. The good weather continued through the summer with no damaging heat spikes. Yields were slightly reduced, but the quality and flavor of the grapes were stellar. After harvest the different lots were de-stemmed, fermented separately, then aged in 25% new American and French oak barrels for 14 months. Each individual lot for Homestead Red Blend was picked, fermented and barrel aged separately in order to maximize complexity and broaden the flavors in the glass.

This dark purple wine has complex aromas of black cherry, black pepper, plum, cassis, oak, vanilla and spice. In the glass there are spicy flavors of red fruits, berry, plum, cherry, oak and vanilla. This is a fruit forward wine with nice balance and a long structured finish.

Food Pairing: Perfect with red meats. Try it with grilled foods in the warmer months and long slow braised dishes in the cooler months.

About Alexander Valley Vineyards:

Alexander Valley is a small appellation about 20 miles long and a mile wide with a climate that is described as coastal warm. It is similar to Bordeaux with a blend of coastal and inland influences, providing ideal growing conditions. The Russian River divides the valley in half lengthwise and is responsible for the morning fog. The narrowing of the valley at both ends retains the fog, cooling the vines and promoting acid development in the fruit. When the fog clears in mid-morning, the sun warms the earth and ripens the grapes, assuring a harvest of balanced fruit with pronounced varietal character.

The Story Behind the Wine ...

Homestead Red Blend showcases family farming in Northern Sonoma County's Alexander Valley. Our home, vineyards and winery are located on the historic property originally settled by valley namesake Cyrus Alexander. Only two families have ever lived on this land - our family is honored to continue the traditions begun by the Alexander Family in the 1840s.

Over the years our red wines have achieved national and international success with critics and wine drinkers. While many love the big reds, the next generation of AVV fans were asking for a luscious, aromatic, well balanced and juicy wine. Harry and Robert Wetzel decided to celebrate the rich history of Alexander Valley Vineyards with a blend of our favorite grapes.
