

## **Visitor Information & Guidelines**

Reservations are required to ensure Alexander Valley Vineyards can maintain appropriate social distance between groups.

All guests will be required to wear masks when they arrive, depart, and when not in their seating area. Once seated for your tasting experience, your mask may be removed at that time.

Seating areas will be disinfected in between groups.

AVV staff will wear protective masks at all times and maintain a 6 foot distance from guests except when necessary.

Your pre-selected wines will be set prior to being seated.

Wine glasses are routinely washed after each use.

Guests will not be permitted to enter the interior tasting room except for restroom use or retail shopping. We ask guests refrain from touching the merchandise and ask a Tasting Room Associate for assistance.

Restrooms will be cleaned and disinfected on a regular basis.

Group sizes will be limited to 6 guests and are required by county regulation to be all living in the same household.

Wine purchases will be available after your experience and your purchase will be brought to you by your host.
